Letter from the Chair, Konstantinos Lazarakis MW

“The opportunity to opt the programme that best suits our Students will be the breaking point henceforward”

This is a special year for W.S.P.C.[®] as we celebrate our 15th anniversary. What is more, our birthday coincides with the 50 years of WSET[®], the trailblazer in wine and spirits education worldwide. If this is to be an academic year of celebrating our achievements, it will also be one of looking to the future and launching new initiatives.

IN THIS DIRECTION we are proudly announcing our new WSET DIPLOMA IN WINES Study Courses starting in September 2019. Establishing Greece among the top wine education destinations for the global professionals remains our goal. This ambition for shared excellence, impact and influence is articulated in our planning.

IN FACT, the opportunity to opt for the programme that best suits our Students will be the breaking point henceforward. Our unique International “SANTORINI & ATHENS WSET DIPLOMA” -including a trip to the renowned volcanic island and the chance to meet iconic local winemakers - will take place for the 3rd consecutive year; in addition, the “ATHENS WSET DIPLOMA” will be the program of choice for those wishing an extended format with bi-weekly classes. Thus, our new WSET DIPLOMA Calendar will embrace different needs and schedules, yet same dedication and passion.

ON OUR BEHALF, rest assured that we will make anything possible to provide the highest standards to your educational experience. Being among the top 12 WSET providers worldwide is no chance. Keeping this ranking for almost a decade now is no coincidence. Both quality and respect towards your investment is what makes the W.S.P.C. world go round.

Looking forward to welcoming you at our new premises.

Looking forward to welcoming you in Greece.

Sincerely,

Konstantinos Lazarakis MW
President of W.S.P.C.[®] LTD

ABOUT INTERNATIONAL “SANTORINI & ATHENS WSET DIPLOMA”

SANTORINI, the highly-regarded volcanic island nestled in the Aegean Sea, is the hestia of some of the most iconic Greek winemakers and wines that are in the spotlight of professionals and connoisseurs around the globe. This fascinating battering ram of the Greek wine is in the core of our unique International Programme that has been launched in spring 2017.

MORE SPECIFICALLY, one of the 4 Blocks of this special programme will take place in Santorini, enhancing the study course with an experiential discovery of the renowned region with roots going back to antiquity: meeting the winemakers, visiting the volcanic phylloxera-immune vineyard and tasting wines of sheer character.

THE REST OF THE BLOCKS will be held in Athens, at the brand new and highly impressive premises of W.S.P.C. at Paleo Faliro, an area less than 5km outside the center of the city. Athens is among the top European city-break destinations offering to the visitor an outstanding mosaic of archaeological sites and museums, as well as a contemporary urban hub of culture, gastronomy and entertainment.

BOTH DESTINATIONS of the “SANTORINI & ATHENS WSET DIPLOMA” have International Airports and provide direct flights from Greece and major cities around the world. At the same time a broad selection of accommodation is available. It must also be highlighted that the period of the Block that will take place in Santorini is carefully selected in order to avoid tourist peak seasons.
